ASTD Bay Colonies Chapter presents:

**EXPERIENTIAL LEARNING TO CREATE
UNDERSTANDING, FOCUS, AND ACTION**

Attend and

- Understand the power of experiential learning and its use in corporate education
- Become familiar with the side spectrum of experiential learning formats
- Learn how to drive experiential learning in your organization (including hints on how to position experiential learning with internal clients, executive, etc.)

Presented by:

Beth Cliff

Director, Executive Education
Northeastern University, College
of Business which is widely recog-
nized as one of the leaders in ex-
periential learning in the United
States.

Register to attend **today** by going to www.baycolonies.org!
